

Important Maps of School Site

Fire Drill Map--to be used to evacuate the building

* If the way to the playground is unsafe, alternatively walk to the pool at LMB – either directly or via the ‘back way’ up to the Kshitigarbha Statue and down the long driveway.

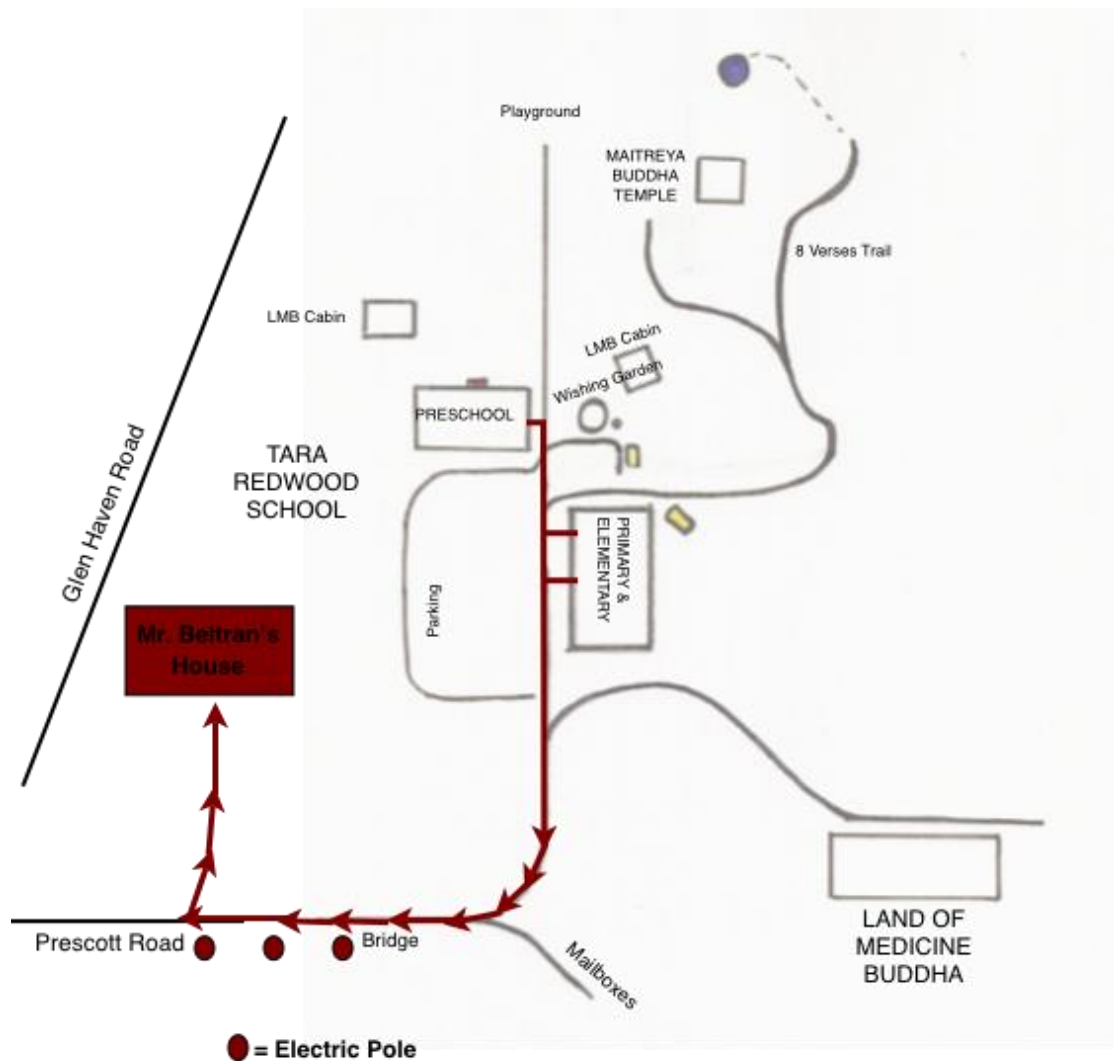

Evacuation Maps--to be used to leave the SCHOOL SITE

IF THE BRIDGE IS INTACT:

Primary: Mr. Beltran's House: 5540 Glen Haven Road, Soquel, CA 95073

Instructions: Walk down driveway to Prescott Road. Follow Prescott. Count the number of electrical poles there are on you way. Just past the 3rd electric pole, marked with the number 28, look on your right hand side for a small no trespassing sign. If you look up, you will see a house on the hill. This is Mr. Beltran's House. The pathway will be kept open for easy access on foot. Parents are to pick the children up at this site.

Evacuation Map--to be used to leave the building site

IF THE BRIDGE IS INTACT:

Secondary: Pam's House: 5200 Glen Haven Road, Soquel, CA 95073

Instructions: Walk down driveway to Prescott Road. Follow Prescott until counting the number of electric poles on your way. Just past the 14th pole, on your right hand side, you will see a driveway. The driveway is chained off with a "No Parking" sign. The pathway is made of stone. Walk up the pathway. Pam and her neighbors have agreed to keep the pathway for the safety of children and staff.

Parent's will park to the left side of Pam's house. The Director or Designee is responsible for releasing students to their parents.
