Tuition Insurance – Tuition Refund Program

The tuition refund plan is important to you and to Tara Redwood School. Tara Redwood School requires full payment for all fees for the year in which you are attending. These fees are due and payable in order for your child(ren) to remain in the school. The overhead expenses of the school do not diminish if a student departs during the course of the year. Deductions or remission of tuition cost will not be allowed by the school for absence, dismissal, or withdrawal for disciplinary, academic, or personal reasons. Your financial obligation to the school is for the full annual tuition as stated in the School's enrollment contract. We are pleased to extend a Tuition Refund Plan to you in order to protect your yearly financial obligation. This program insures fees – (prepaid and due) in the event of separation according to the terms of the policy.

A.W.G. Dewar, Inc. offers this plan for Tara Redwood School. The cost of this plan is 3.3% of your annual tuition fee for the 2018/19 school year. Families who do not pay the total annual tuition fees by August 31, 2018 must participate in the Tuition Refund Plan.

Additional Family Financial Expectations

Tara Redwood School tuition is offered at approximately 85-90% of what it actually costs to run the school and educate our students. The tuition is established at this rate in order to make a Tara education financially possible for a greater number of families

It is imperative that each family helps to make up that gap in costs through participating in school fundraising drives held each year.

If you are able to participate financially in only one school fundraiser this next year, please make our Annual Giving Campaign the one you support.

Tara Redwood School

NON-PROFIT ORGANIZATION

KNOWLEDGE, STRENGTH & COMPASSION

We offer multiple fundraising drives that are fun and engaging to participate in and we expect 100% participation in one or more of these endeavors in order to keep our tuition reasonable and our school operations and offerings possible.

Parent Participation

Tara Redwood School is a collaboration between administrators, teachers and parents. It takes our entire community to make this school operate at the level that best serves our students, while keeping tuition low. It is with our amazing community working together that we are able to provide children with a supportive, loving, and safe environment to thrive in.

To make this happen, each family is assigned a classroom, campus or community job. In the future, family jobs will be self-selected near the end of the school year, allowing priority selection for returning families. Doing your family job consistently and proficiently is essential to the running of the school, as parents are key components to many parts of our program.

Enrollment at Tara Redwood requires that families agree to:

- Actively participate through performing a family job
- Fulfill your family's parent participation requirement by:
- Working the minimum of 30 hours per year (15 hours for 2 day families) volunteer time in a community or classroom job

or

- Buy out a partial or whole portion of your hours
- In the event that your family is not able to fulfill the parent participation requirement, paying a fee of \$50 per hour can compensate for hours not volunteered.

Participate / Attend the following events:

- Back to School Night (start of the school year)
- Beach Gathering (Early Fall)
- Parent Classes (offered in the fall 6- 8 week class)
- Harvest Festival (Late October)
- Winter Concert (December)
- School Auction (March)
- Parent Conférences: (Fall & Spring)
- Spring Picnic (Spring)
- Hike 4 Peace (May)
- Classroom Play Performances (June)

Why is Fundraising for Tara Redwood School important? We pay tuition...

Tara Redwood School is a Non-Profit School. Our largest revenue source to run Tara Redwood School comes from tuition and fees, which typically cover 85 -90% of our operating costs.

Our Annual Auction, Annual Giving Program and Hike 4 Peace are some of the fundraisers we do to help make up the 10-15% gap to balance our operating budget. By participating in these events you are contributing to the true cost of the school with tax-deductible contributions.

We receive support from a network of Alumni Families, friends and grandparents that value the school, as well as ask our current parents, guardians, employees and students to contribute to the fundraising efforts.
