

Tara Redwood School Parent Participation Agreement

Tara Redwood School is a collaboration between administrators, teachers and parents. It takes our entire community to make this school operate at the level that best serves our students, while keeping tuition low. It is with our amazing community working together that we are able to provide children with a supportive, loving, and safe environment to thrive in.

To make this happen, each family is assigned a classroom, campus or community job. In the future, family jobs will be self-selected near the end of the school year, allowing priority selection for returning families. Doing your family job consistently and proficiently is essential to the running of the school, as parents are key components to many parts of our program.

Enrollment at Tara Redwood requires that families agree to:

- Fulfill your family's parent participation requirement by:
 - Working the minimum of 30 hours per year as a volunteer in a community event, fulfilling a specific school need, helping with a classroom job
or
 - Buy out a partial or whole portion of your hours
In the event that your family is not able to fulfill the parent participation requirement, hours can be compensated at \$50 per hour with a total buyout of \$1500 for the year.
- Attend the following events:
 - Back to School Night (start of the school year)
 - School Auction (March)
 - Parenting Evenings
 - Parent conferences
 - Redwood Campus
 - Village Campus
 - Community Building Events
 - Beach Gathering (September 21st)
