

Tara Redwood School Tuition Insurance Overview

What is Tuition Insurance?

Tuition insurance helps protect the investment you are making in your child's education. Your enrollment contract with the school financially obligates you to pay the full amount of tuition and fees for your child to attend regardless of withdrawal for any reason.

We understand unforeseen events occur. Take the worry out of your investment and pass the risk on to **PROTECT MY TUITION™**.

For a covered cause of loss, Tuition Insurance will pay the remaining portion of tuition and fees up to the co-insurance percentage listed on the policy

What are the Coverage Effective and Completion Dates?

Medical Withdrawals, Non-Medical Withdrawals and Dismissals – Coverage begins 7/1/20 for students that have elected to enroll in the program prior to 7/1/20. Coverage ends the last day of the academic year or once the student has withdrawn from school.

Voluntary Withdraw – coverage begins 14 calendar days after the first day of class or 14 days from the student's date of enrollment in the program, whichever is later. The student must attend regularly scheduled classes during these 14 days in addition to remaining enrolled at the school. Coverage ends the last day of the academic year or once the student has withdrawn from school.

Late Entering Students- Any student who has not elected to enroll in the tuition program by 7/1/20 will have a 14 calendar day waiting period before coverage becomes effective. In order to have coverage be effective the first day of the school year, a student would need to notify the school business office of their intent to enroll in the program at least 14 days prior to the first day of classes. Late entering students are still subject to the voluntary withdrawal waiting period listed above.
